The End of the School Year: We've Accomplished So Much!

The start of the school year was not long ago, yet so much has been accomplished by our beautiful children here at ECC. Our babies, the Guppies,

entered school not walking or even crawling, now they are moving up to Ducklings and beyond!

Not only our babies, but our preschoolers and pre-kindergarten children have grown by leaps and bounds. They are taller, more confident, becoming more independent and have learned so much. They have made friends, learned about routines, and have explored everywhere in our building.

We have celebrated holidays together, especially Shabbat, enjoyed special programs (Jack and the Beanstalk and Mother Goose), played together during Carton Day and all the Inflatable Days. Every day was filled with fun and learning experiences that children will carry with them forever.
