If your loved one needs a sensory break, we are pleased to offer a quiet sensory space within the library where services will be live streamed. We ask that all are accompanied by an adult.

Hearing Assist Units are available. Please see an usher for assistance.

Our tradition teaches that life and health are of utmost concern. If standing during services is a hardship for you, please do not feel obligated to do so.

In order to maintain an atmosphere conducive to prayer and meditation, please refrain from conversation during the service, and please remember to turn off all cell phones and electronic devices.

First aid and/or special assistance will be available in the Simcha Suite during all services. Thank you to those congregants volunteering to serve as “Physicians on Call”.
